MakeGraph@*n* creates the graph of knot diagrams
   with *n* crossings and then saves it to the appropriate file.
MakeGraph@"all" creates the graph of knot diagrams with up
   to 10 crossings and then saves it to the appropriate file.

```
MakeGraph@n_ :=
   ({List @@ #1, List @@ #2, #3} & @@@
      CreateGraph@n >> Data@n);
```
